If applicable, Tenant Name: _____

Postal Address: _____ City: _____, AB Postal Code: _____

Home Telephone: _____

I, the property owner, hereby request Lethbridge County to affect water, sewer and garbage services to the above address. I agree to indemnify and save harmless Lethbridge County from any damage which might occur to the premises or associated equipment due to the connection of the services as requested in this application.

I, the property owner, agree to be governed by the Bylaws of Lethbridge County and all statutes and regulations of the Province of Alberta regarding the use of the services. The property owner further agrees to pay in full all billings, sent in accordance with the prevailing rate structure established by County Council, whether the bill has been based on an estimate or actual reading. I fully understand that if a renter does not pay for the utility bill that I, as the owner of the property, will be responsible for the payment of the bill in full.

The County will take every reasonable precaution to insure continuity of service to its customers, but assumes no responsibility for any damage, inconvenience or annoyance caused by service interruptions at any time or for any duration.

I understand the County will supply services only if they are used in a safe and proper manner and that it is a condition precedent to the supply of these services that the applicant will permit any authorized person to enter the premises described above at any reasonable time to ensure the safe and proper use of any of the services by the applicant. Should the authorized person be refused permission to enter and inspect the premises, supply will be immediately discontinued by the County.

Please be advised that Monarch has a water connection fee through Accounts Receivables and a sewer connection fee through the Utilities Department. Diamond City & Turin have a Local Improvement Levy through the Tax Department. For more information please contact the Administration Office.
