

**WHAT:** Phase 1 is part of a multi-phase project that will eventually see the full upgrading of the waterline, sanitary sewer, storm sewer, roadways, and sidewalks. Phase 1 consists of upgrading a portion of the hamlet's water system sanitary system, and roadway network.

**WHERE:** Hamlet of Shaughnessy

**WHY:** The County has identified Shaughnessy as a top priority for infrastructure upgrades, as per the Shaughnessy Infrastructure Master Plan.

## WORK COMPLETED TO DATE

Waterline looping, lot servicing and road construction. Construction complete, final inspection remains.

## BENEFIT TO RESIDENTS

Upgrades to Shaughnessy's infrastructure will contribute to the quality of life of citizens.

**Total project costs: \$500,000**  
Funded through a provincial grant (Municipal Sustainability Initiative) and Local Improvement Tax.

**Scheduled  
completion date:**
