

## County of Lethbridge Policy Handbook

**EFFECTIVE:** May 9, 1984

**SECTION:** 100 NO. 122

**APPROVED BY:** County Council

**SUBJECT:** Project Costing

**REVISED DATE:**

---

MOVED that all requests for costing of projects by Administration Staff be formally communicated through the Municipal Committee or County Council for their prior approval; and when Council or Municipal Committee make a decision to cost a project, Administration then would have the authority to expend the funds if it was necessary to carry out this analyses in a manner that it could be presented to a future meeting for review.
