Dear Hamlet Landowner:

To carry out the most effective and efficient Weed Control Program possible, the enclosed Blanket Weed Notice has been mailed to every landowner in your hamlet.

If your yard or acreage is mowed and kept weed free, this notice is not meant for you and can be disregarded.

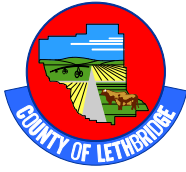

By issuing notices in this matter, our crew can clean up any lots that have weed problems when they are in your hamlet when they are doing regularly scheduled mowing.

The minimum charge for mowing neglected lots is \$50.00, and this charge will be assessed against the property owner.

Thank you for your cooperation in helping us make your hamlet a more desirable place to live.

Yours truly,

Supervisor of Ag & Municipal Services
