

Lethbridge County Policy Handbook

EFFECTIVE: August 16, 1994 **SECTION:** 600 NO. 620
APPROVED BY: A.S.B. **SUBJECT:** Live Traps
REVISED DATE: April 9, 2015

The purpose of this policy is to outline the procedure that will take place in regards to controlling magpies, raccoons or skunks with the use of live traps.

1. Live traps will be made available to County residents to enable them to control Magpies, raccoons or skunks on land they own or land that is under their control.
2. The landowner or landholder will be required to complete a Use Agreement which will include: name, address, legal land description, telephone number and signature. This agreement will also stipulate that traps are to be loaned out for no longer than 30 days.
3. It is the responsibility of the landowner or landholder to make arrangements for the return of the trap in 30 days or less.
