Municipal Address – ByLaw 1348

RURAL MUNICIPAL ADDRESS APPLICATION FOR NEW DEVELOPMENT

All new rural developments after January 1, 2009 are required to submit an application for a municipal address and sign. This application is a requirement for processing a residential or non-residential development permit application.

The applicant is responsible for ensuring that all appropriate sections of the application form are completed. County personnel will review your application and may return it if it is incomplete. County administration reserves the right to request additional information, if deemed necessary.

Except for new development applications, allow for a minimum of 14 working days for processing the application. For new rural development, a municipal address will be assigned once a building foundation and approach are in place. Applicants are asked to call 403-328-5525 Ext 1008 to notify the project technician when this occurs.

As per Bylaw 1315 section 8.1, the County will provide for the materials and installation costs of all signs for all residential homes existing within Lethbridge County up to December 31, 2008. All rural residential homes existing from January 1, 2009 and beyond and all rural non-residential buildings will be charged for materials and installation of the municipal address sign as per the Schedule of Fees Bylaw.

FEES

Fee is due in full at the time of the application.

Rural Municipal address sign: \$100.00 (plus GST)
